Dear Parents/Guardians,

The SDCSC School Board approved the corporation's plan for re-entry for the 2020-2021 school year during this week’s board meeting. We are enclosing several documents that should provide you with information specific to your child’s return to school. Please understand that these plans are tentative as the state’s response to COVID-19 may require changes in our school guidelines, and registration numbers may dictate changes in staffing and program options. In order to finalize our plans and staffing, it is imperative that parents complete the online registration process no later than 9:00 pm on Sunday, July 26th, 2020. We will communicate any changes as soon as possible. Please contact your child’s building principal if you have any additional questions.

Note: All building level expectations align to meet the requirements set forth in the corporation re-entry plan.
