Success Driven. Grow. Excel. Achieve.
A COMMUNITY COMMITMENT

GROW, EXCEL AND ACHIEVE AT SOUTH DEARBORN SCHOOLS!

PREPARE TO GROW

Our Elementary Schools offer smaller class sizes which results in a more personalized approach to each student's education for grades K-5. Our nurturing teachers are completely dedicated to your child's educational success. In addition to our strong academics, students enjoy access to music & arts programs, clubs and athletic teams that enhance their overall educational experience.

PREPARE TO EXCEL

Our Middle School promotes growing independence for students in grades 6-8. Students are challenged to reach their full potential. With opportunities to learn in new ways, students are engaged in project based learning that teaches relevant topics through hands-on experience. Our students are driven to develop self-esteem, self-awareness, and a thirst for continued lifelong learning in a safe and effective learning environment.

SOUTH DEARBORN MIDDLE SCHOOL

PREPARE TO ACHIEVE

At our High School, our students continue to be challenged with rigorous academic curriculums that prepare them for what comes next in their life – be it college or a career. With numerous dual credit course options, additional project based learning options, and three different types of diploma tracks there are truly opportunities for every student to succeed.
