South Dearborn High School
Class of 2020
Graduation Ceremony Announcement

South Dearborn Community School Corporation would like to announce our graduation plans to celebrate the accomplishments of the Class of 2020. After extensive local discussion and hearing the most recent guidance from the Governor Holcomb, it has been decided to host graduation in the high school gymnasium on Friday, July 10th at 8:00 pm with additional guidelines as follows:

- Graduation is voluntary. Any student or guest who has concerns about their health and safety as related to COVID-19 should not attend. Those graduates who do not attend will still receive their diploma.
- The ceremony will be streamed live for those unable to attend and an edited video copy will be shared with seniors and families. Students, friends and family are encouraged to attend virtually if they prefer to do so or cannot attend.
- Graduates will be limited to 12 guests so that social distancing may be practiced within the gymnasium. Graduates who may need additional tickets will be able to make that request to the high school administration. Tickets will be available starting the week of June 29th, 2020. Students will be receiving additional information from the high school administration regarding tickets and student-pickup.
- The use of PPE and other accepted COVID-19 safety measures is recommended but not required. It is also recommend anyone 65 or older, have preexisting conditions, or who is “at risk” per medical guidelines not attend. Anyone with concerns should consult their physician before deciding to attend.
- Anyone diagnosed with or experiencing the symptoms of COVID-19, or anyone who has had contact with someone diagnosed with or experiencing the symptoms of COVID-19 must not attend.
- Guests will be asked to sit using social distancing standards. Those coming together may sit closer together assuming their own risk, but social distance from the next guest(s).
- Waivers will be required to be signed by graduates, guests and staff to attend. Waivers will be available online to be printed prior to graduation or at the door upon entry into the gymnasium. Please visit www.sdsc.k12.in.us to print the waiver.

Additional and more specific information regarding the ceremony will be provided to seniors and their families by the SDHS administrators in the near future.

Please remember the COVID-19 situation is ever-changing. These plans may be revised if guidance from the Governor or local health department changes as the date nears.
