I would expect school functions to resume back to order immediately with this announcement. South Dearborn Community Schools released their schedule of two (2) waived days per week and three (3) e-Learning days with the high degree of possibility that school would not resume as normal for the remainder of the year. At this point there is no indication that school will resume as normal but we certainly hope that it does as quickly as possible and will be ready to do so with this announcement.

12. My child's lunch account still has money in it. What happens to that money if school does not resume this school year?

The money in the lunch accounts will be rolled over into next school year. If your son or daughter is a Senior, then refunds will be issued.
