

# Use First Stop Health Virtual Primary Care for:

## Virtual Primary Care

Get consistent, compassionate care from the privacy of home.

Virtual Primary Care from SISIT makes it easier for medical-enrolled employees and their immediate family members to get care without wasting time and money.

### Care on your time.

Scheduled visits start on time. Doctors call back in minutes for urgent care.

### Flexible scheduling.

Choose the date and time that work best for you. Visits take place via phone or video!

### Save money.

A visit costs \$0. There are no surprise bills or hidden fees.

## Care you will love.
